The 31.5-kilowatt photovoltaic system has 900 PV roof tiles and nine 3,500-watt inverters with combiner boxes.

An advertisement for REX Lumber Company. The background is a close-up of a yellow pencil with a wooden body and a sharpened lead tip. The pencil is positioned diagonally across the frame. The text is overlaid on the pencil and the wood grain. The FSC logo is in the bottom left corner. The company name and website are in the bottom right corner.

CUSTOM MADE.
FSC Certified Custom

EARTH FRIENDLY.
Hardwood Moulding

As one of the nation's largest hardwood lumber wholesalers and custom millwork manufacturers, we offer a diverse inventory of domestic & tropical FSC certified hardwoods, including one of the country's largest inventories of FSC Genuine South American Mahogany. Trust the quality, detail & nationwide shipping from Rex.
