Open Energy to Discuss Solar Energy Live on MN1

SOLANA BEACH, CA, Jul 12, 2007 (MARKET WIRE via COMTEX News Network) -- Open Energy Corp. (OTCBB: OEGY) is pleased to announce that its CEO, David Saltman, will be featured in a live interview with Market News First, an online news broadcast and research group featuring the latest opportunities within the microcap market.

The interview is scheduled for Friday, July 13, 2007, at 12:00 PM EDT and will be broadcast live from Market News First's website found at www.mn1.com. This is an exciting opportunity for David to further discuss the details of their latest multi-million dollar order from SolarPro Energy, so be sure to tune in and watch David talk about the company's progress and plans for the future.

About Open Energy (OTCBB: OEGY)

Open Energy Corporation is a renewable energy company focused on the development and commercialization of a portfolio of technologies capable of delivering cost-competitive electricity, fresh water and related commodities on a global basis. Open Energy offers building-integrated photovoltaic (PV) roofing materials for commercial, industrial, and residential customers. Marketed under the trade name SolarSave(R), the product line includes roofing membranes, roofing tiles, custom architectural PV glass, and balance of systems equipment. The Company also holds an exclusive, worldwide license to a solar thermal technology called SunCone(TM) CSP (Concentrating Solar Power). The company's mission is to enhance life by harnessing the power of the sun. For more information on Open Energy Corporation, please visit www.openenergycorp.com.

About MN1.com

Market News First is an online, market news provider that brings investors current news on the market. Market News First is the only online, live IPTV web site that brings real market news to investors and features live interaction with companies from the Bulletin Board to NYSE.

Through daily, live interviews, we bring you up to date on all the established companies and inform the investors of the newest opportunities within the market.
